Mondo.NYC 2026 CLE Music & Tech Law Symposium

October 16, 2026 Arlo Williamsburg Hotel NYC

Event Overview

Celebrating its tenth year in 2026, Mondo's Music & Tech Law Symposium and CLE program is one of the cornerstone events of the Mondo.NYC industry conference and showcase music festival. It unites top US and international music lawyers and thought leaders for an all-day immersive in-person entertainment law seminar addressing some of the biggest legal developments affecting the music industry, including recent court decisions, the re-imagining of key policy matters and the impact and legal ramifications of AI and other new technologies.

Opportunity & Strategy

Via exclusive assets at Mondo's symposium, we welcome partners looking to amplify awareness of their products and services to New York and US music and tech industry leaders via activations providing:

- Intimate interaction with clients
- Identification of high value prospects
- Access to startup pipeline for emerging artist, tech and IP

Who will be there?

- 1250 leading industry stakeholders: over 200 attorneys plus legacy executives, start-up entrepreneurs, investors, brands, media, artists & songwriters and their advisors, representatives & rights-holders
- Over 53% C-Suite/owner/partner/senior executives
